

CURRICULUM VITAE

PROFESSOR EUGENIA ALEXANDROPOULOU-EGYPTIADOU

Prof. Eugenia Alexandropoulou-Egyptiadou, currently Member of the Board of Directors of the University of Macedonia (Thessaloniki, Greece), former Vice Rector and ex Deputy Rector of the University of Macedonia, is Professor in I.T. Law at the Department of Applied Informatics, founder of the I.T. Law Scientific Group, www.itlaw.uom.gr and Director of the postgraduate Program (Master) in “Law and Informatics”, www.mli.uom.gr. A former attorney at law at the Greek Supreme Court, she headed the Legal Department of Egnatia Bank in Northern Greece. She was also a member of the editorial board of the Law Review “Harmenopoulos”, edited by the Bar of Thessaloniki. She has written and/or edited numerous scientific articles and books in the area of Civil, European, Banking, Labour, International and IT Law. Since 2001 her interests have focused mainly on personal data protection, human rights and intellectual property in the Information Society. She has acted as organizer, chair person and speaker in several International and Pan-Hellenic Conferences on Information Law and Ethics, reviewed numerous papers and dissertations and participates in many Scientific Associations and Projects. She has acted as co-organizer and chair person –among others– of the 4th and 6th International Conference on Information Law and Ethics (2011, 2014 University of Macedonia) and of the 7th International Conference on Information Law and Ethics at the University of Pretoria (South Africa) and member of the Program Committee and speaker in several international conferences on IT Law and Ethics. She reviewed numerous papers and dissertations and participates in many Scientific Associations. She was the leader of Work Package 2 “E-Health Legislative Framework Analysis’ at the research project (cooperation of 9 Greek Universities) “Networking of the Primary Care Units” (funded by the National

Strategic Reference Framework 2007-2013. She was Ethics Advisor in Horizon 2020 «GAIA-Green Awareness in Action» (Project Grant agreement no. 696029) New ICT-based solutions for energy efficiency, (EE-11-2015), in subcall Energy Efficiency Research & Innovation' (H2020-EE-2015-2-RIA) of H2020-EE-2014-2015.

Apart of her membership in various scientific and social associations, she is currently serving as President of the Thessaloniki Concert Hall.
