

CURRICULUM VITAE

Yiannis Nikolaidis

PERSONAL DATA

First name : Yiannis
Last name : Nikolaidis
Father's name : Athanassios
Mother's name : Sofia
Year of birth : 1969
Place of birth : Thessaloniki
Marital status : Married with three children
Work address : University of Macedonia
Department of Applied Informatics
Egnatia 156
54636, Thessaloniki
Telephone number : +30 2310 891878
Mobile phone number : +30 6977 389267
Military Service : completed as air force sergeant (3rd of March 1998 – 3rd of March 1999)
sergeant with the specialty in "Aircraft Engineering"
E-mail addresses : nikolai@uom.gr, nikolai@uom.edu.gr

1. Education

- Higher education:
 - 2001: PhD from the Department of Mechanical Engineering, Polytechnic School, Aristotle University of Thessaloniki
 - 1992: Bachelor (five-year) in Mechanical Engineering, Polytechnic School of Aristotle University of Thessaloniki
Bachelor Thesis: “Methodology for the Economic Evaluation of Investments Concerning the Automatisation of Irrigative Canals”
- Secondary education:
 - 1981-1987: Greek-French College De La Salle
- Languages:
 - English (Cambridge First Certificate – extensive use of English for long, in my research activities)
 - French (Sorbonne I)

2. Personal training

- 2019: 1-hour webinar of MINITAB, entitled “Does more data mean more effective Control Charts: The Surprising Truth”.
- 2018: 1-hour webinar of MINITAB, entitled “From Unicorns to Racehorses: Taking Predictive Analytics with Machine Learning from Myth to Reality”.
- 2017: 4-hour webinar of Springer Nature, entitled “Springer Nature Story Collider Webinar”.
- 1999: 44-hour seminar of TUV HELLAS S.A, entitled “*Auditors of quality assurance systems ISO 9000 - Auditor / Lead Auditor Course*” (IRCA Approved).
- 1994: 65-hour seminar of Aristotle University of Thessaloniki entitled “*Total Quality Management*”.
- 1993: 300-hour seminar entitled “*Programming in Pascal and C, and learning the database management program Dbase*” (July - August).
- 1993: 120-hour seminar entitled “*Sales and exportation promotion in small-medium enterprises*” (February - March).

3. Qualifications

- External expert for KA2 for EPOS (the National Agency of the Dutch speaking part of Belgium). My selection will remain valid until the end of the Erasmus+ program in 2020.

- Member of the database of eligible candidates of the European Personnel Selection Office (EPSO), for recruitment in research centers of EU, as a result of CVs' evaluation and participation in written competency tests for EPSO/CAST/S/5/2013 - Quantitative Sciences since September 2013.
- Member of the experts' register of Thessaloniki's Integrated Transport Authority (THITA) since March 2013.
- Member of the Register of Instructors for the continuous professional instruction, of the National Accreditation Centre for Continuing Vocational Training since April 2002.
- Member of the Evaluators' Register of Actions for the Operational Program "Competitiveness" 2000 - 2006.
- Quality Systems Auditor since November 1999.

4. Awards and Distinctions

- September 2018: Distinction for an innovative idea, submitted by a four-member group of students of the Department of Applied Informatics in which I was the mentor. Our idea ranked [among the top 5](#) in the [Alexandria Innovation Zone Circular Economy competition](#), which took place during the conference Ecocity Forum 2018 - "Circular Economy in Smart Cities".
- 2004: Postdoc scholarship from the Greek State Scholarships Foundation (I.K.Y.) - research area: "Quantitative Models for the Optimization of Remanufacturing Used Cell Phones".
- 1991 - 1992: Congratulatory letter and award for outstanding academic performance from Technical Chamber of Greece.
- 1987 - 1988, 1989 - 1990 and 1990 - 1991: Distinctions and Awards for outstanding academic performance at the graduate level (Department of Mechanical Engineering, Polytechnic School, Aristotle University of Thessaloniki), from I.K.Y. (Greek State Scholarships Foundation).

5. Professional activities

5.1 Academic

- April 2015 till today: **Associate Professor** in the research area of "**Methodologies and Technologies of Production Management**", **Department of Applied Informatics, University of Macedonia**, Thessaloniki, Greece. Taught Modules:
 - "Quality Assurance and Quality Control Techniques",
 - "Statistics and Probabilities",
 - "Production and Operations Management",
 - "Special Chapters of Applied Statistics and Quality Control".

- February 2015 till today: instructor of the Postgraduate Program “Applied Informatics”, **Department of Applied Informatics, University of Macedonia**, Thessaloniki, Greece. Taught Modules:
 - “*Simulation and Quality Control of Processes*”.
- September 2007 till today: Part time Academic Staff of DIP 50 – “**Basic Tools and Methods for Quality Control**” in the Postgraduate Program of “**Quality Assurance**”, School of Science and Technology, **Hellenic Open University**, Patra, Greece.
- August 2017 - January 2018: Visiting researcher in University of Massachusetts (UMASS), Amherst, USA. Joint research with Professor Ana Muriel of the Department of Mechanical and Industrial Engineering.
- May 2009 - April 2015: **Assistant Professor** in the research area of “**Technologies of Production Management**”, **Department of Applied Informatics, University of Macedonia**, Thessaloniki, Greece.
- August 2013 – December 2013: Visiting researcher in Concordia University of Montreal, Canada. Joint research with Professor Mingyuan Chen of the Department of Mechanical, Industrial and Aerospace Engineering.
- September 2007 – May 2009: Lecturer in the research area of “Statistical Quality Control”, Department of Engineering & Management of Energy Resources, University of Western Macedonia, Kozani, Greece.
- February 2005 - July 2008: Teaching according to Decree-Law no. 407/80 in the Department of Technology Management, University of Macedonia, Greece.
- February 2002 - September 2007: Teaching according to Decree-Law no. 407/80 in the Department of Engineering & Management of Energy Resources, University of Western Macedonia, Greece.
- September 2004 - July 2005: Teaching under contract in the Departments of Nursing/Early Childhood Care and Education, School of Health and Medical care, TEI Thessaloniki, Greece.
- October - November 2003: Postdoc researcher at the Penn State University, Pennsylvania U.S.A., in the research area of Closed - Loop Supply Chains.
- July - September 2002 and July - August 2003: Postdoc researcher at the University of INSEAD Fondation, France, in the research area of Supply Chain Management and particularly in Closed - Loop Supply Chains.
- November 1992 – February 2002: Research and Teaching Assistant, Department of Mechanical Engineering, Polytechnic School, Aristotle University of Thessaloniki, Greece.

5.2 Non-academic

- March 2013 – June 2013: member of the team of experts which evaluated the software of the Quality Assurance unit of TEI of Serres.
- Academic year 2012-2013: as a member of the Greek State Scholarships Foundation (I.K.Y.) I reviewed 12 student applications for graduate programs.
- 13-16 July 2006: Evaluator of proposals submitted for the program “Certify”, regarding the certification of companies according to the ISO 9001:2000, HACCP and ISO 14001 standard - 6th Cycle.
- 10-11 June 2004: Evaluator of proposals submitted for the program “Certify”, regarding the certification of companies according to the ISO 9001:2000, HACCP and ISO 14001 standard - 4th Cycle.
- February 2003 - February 2004: Quality Assurance Consultant at the Municipal Organization of Social Welfare and Health (DOKPY) in Nea Ionia, Magnisia, Greece.
- October 1999 - August 2002: Assistant of the Master’s Degree Program “Management of Production Systems” of the Department of Mechanical Engineering, Polytechnic School, Aristotle University of Thessaloniki, Greece
- November 2001 - July 2002: Consultant at the company FIRGOTEC L.L.C. - grids and refrigeration stuff.
- 19-20 April 2002: Evaluator of proposals submitted for the program “Certify”, regarding the certification of companies according to the ISO 9001:2000 standard - 1st Cycle.
- December 1999 - February 2002: Quality Assurance Manager at the company CRYSTAL S.A. - professional refrigerators.
- March 2000 - December 2000: Auditor of Quality Assurance Standards for TUV HELLAS S.A.
- September 2000 – November 2000: Responsible for the statistical analysis of data, for the basketball team of Makedonikos of Thessaloniki.
- July 1999 - June 2000: Quality Assurance Consultant at the company METALLON Technologies S.A. - metal constructions.
- October 1999 - December 1999: Responsible for the statistical analysis of data, for the basketball team "Hercules - (Iraklis)" of Thessaloniki.
- September 1998 - June 1999: Part-time Manager of K. Vamvalis & G. Efremidis S.A. - software on maintenance of equipment, management of spare parts, organization of production and statistical process control.
- August 1998 – May 1999: sports columnist in the daily newspaper THESSALONIKI.
- January 1997 - December 1998: Consultant in businesses aiming at acquiring the CE mark

(European health & safety product label).

- November 1994 – February 1998: sports columnist in the weekly newspaper HELLINIKOS VORRAS
- September 1995 – December 1995: sports columnist in the daily newspaper SPOR TOU VORRA.
- September 1995 - October 1996: Quality Assurance Consultant at the company CRYSTAL S.A. - professional refrigerators.

6. Teaching experience

6.1 *Autonomous teaching in Universities*

6.1.1 Undergraduate level

- Department of **Technology Management**, University of **Macedonia** - Taught Modules:

- “Entrepreneurship and Technological Innovations”, academic year 2009-2010.
- “Financing Technological Investments”, academic years 2006-2007 and 2007-2008.
- “Business Economics and Decision Making”, academic years 2004-2005 and 2005-2006.
- “Statistics and Probabilities”, academic years 2005-2006 and 2006-2007.

- Department of **Engineering & Management of Energy Resources**, University of **Western Macedonia** - Taught Modules:

- “Business Economics”, academic years 2001-2002, 2002-2003, 2003-2004, 2004-2005, 2005-2006, 2006-2007, 2007-2008 and 2008-2009.
- “Statistics”, academic years 2002-2003, 2003-2004, 2004-2005, 2005-2006, 2006-2007 and 2007-2008.
- “Quality Control”, academic years 2002-2003, 2005-2006, 2006-2007, 2007-2008 and 2008-2009.
- “Simulation and System Dynamics”, academic years 2005-2006, 2006-2007, 2007-2008 and 2008-2009.
- “Economic Analysis and Evaluation of Investments”, academic years 2002-2003 and 2003-2004.

- Department of **Chemical Engineering, Aristotle University of Thessaloniki** - I have given lectures at the following module:

- “Business Administration”, academic year 2005-2006.

- Department of **Mechanical Engineering, Aristotle University of Thessaloniki** - participation in the teaching process of

- “Business Environment”, academic years 2003-2004 and 2004-2005.

- Department of **Primary Education, Early childhood education Department** and Department of

Balkan Studies, University of **Western Macedonia** - I have given lectures at the following module:

- “Business Environment”, academic year 2005-2006.

6.1.2 Postgraduate level

- Departments of **Informatics** and **Economic Sciences**, **Aristotle University of Thessaloniki** -

Postgraduate Program: “**Informatics and Management**” - Taught Module:

- “Business Operations Management”, academic year 2016-2017.

- Department of **Applied Informatics**, **University of Macedonia** - Postgraduate Program: “**Applied Informatics**” - Taught Module:

- “Simulation and Quality Control of Processes”, academic years 2014-2015, 2015-2016, 2016-2017 and 2019-2020.

- Department of **Logistics**, **TEI of Central Macedonia** - Postgraduate Program: “**Logistics**” - Taught Modules:

- “Simulation of Processes”, academic years 2015-2016, 2016-2017.
- “Reverse Logistics”, academic years 2015-2016, 2016-2017.

- Department of **Mechanical Engineering**, Polytechnic School, **Aristotle University of Thessaloniki** -

Postgraduate Program: “**Management of Production Systems**” - Taught Module:

- “Statistics and Stochastic Processes”, academic year 2001-2002.

6.2 Autonomous teaching in TEI (Technological Educational Institutes)

- Department of **Nursing**, School of Health and Medical care, **TEI Thessaloniki** - teaching under contract:

- “Biostatistics”, academic year 2004-2005 (twice, during fall and spring semester).

- Department of **Early Childhood Care and Education**, School of Health and Medical care, **TEI Thessaloniki** - teaching under contract:

- “Statistics”, academic year 2004-2005 (twice, during fall and spring semester).

6.3 Teaching assistance in universities

I have been a teaching assistant in the following modules:

- **Techniques of Production Management** - part I (academic years 1994-1995, 1995-1996, 1996-1997 and 1997-1998), obligatory module of the 5th semester in the Departments of Mechanical Engineering, Electrical Engineering and Chemical Engineering, Polytechnic School, Aristotle University of Thessaloniki.
- **Operations Research** - part I (academic years 1999-2000, 2000-2001 and 2001-2002),

obligatory module of the 5th semester in the Departments of Mechanical Engineering, Electrical Engineering and Chemical Engineering, Polytechnic School, Aristotle University of Thessaloniki.

- **Statistical Quality Control** (academic years 1993-1994, 1994-1995, 1995-1996, 1996-1997, 1997-1998, 1999-2000 and 2000-2001), elective module offered by the Industrial Management Division of the 8th semester in the Department of Mechanical Engineering, Polytechnic School, Aristotle University of Thessaloniki.

6.4 PhD supervision

- February 2015 till today: PhD student - George Efthymiadis, "Application of SQC techniques in service-providing sectors such as road traffic management".
- February 2015 till today: PhD student - Sofia Sivena, "Application of SQC techniques at the assessment of education".

6.5 Supervisor of Bachelor Theses

Since the academic year 2008-2009 I have been the supervisor of 31 bachelor theses which have been done by students of the postgraduate module of "Quality Assurance", School of Science and Technology, Hellenic Open University. The titles of those theses were the following:

1. Assessment of the effects of Thessaloniki Subway's Construction to the operation of buses lanes of Organism of Urban Transport of Thessaloniki (OASTH) through implementation of Advanced Statistical Techniques and Statistical Process Control
2. Food Safety Management System ISO 22000: development and implementation of the prerequisites - defined in ISO 22000 - in basic categories of food companies.
3. The cost of quality in the Greek Vehicle Industry (ELVO)
4. Study of water quality parameters of Strymon and Evros rivers, using statistical analysis methods.
5. Development and implementation of a Quality Management System in the Prefecture of Imathia (Department of Programming), according to the ELOT EN ISO 9001:2008 standard.
6. Literature review of Greek companies providing services that have developed and applied a Quality Management System
7. Establishment of a Quality System based on the ISO 9001:2008 quality standard, intended to be implemented in the Recoverable Station (STEP) of Mytilini, so as the health services offered to the military personnel to be improved.
8. Integrated management in onion cultivation.

9. Applying the requirements of the quality standard ISO 17020 Private Vehicle Technical Control Centre for light vehicles
10. Audit, evaluation and update of the Quality Management System in the hotel Vermion of Naoussa – Prefecture of Imathia (from the ISO 9001:2000 standard to the ISO 9001:2008 standard).
11. Statistical quality control techniques in specific processes of Olympic Brewery.
12. Specifications and security requirements in playgrounds.
13. Design, development and implementation of a safety management system based on the requirements of the ISO 22000:2005 standard in a frozen yogurt company.
14. Total Quality Management in the sector of Logistics of the Greek Army - Application in the food supply chain.
15. Evaluating the performance of employees in the Greek Ministry of Finance, using SQC indexes and methods.
16. Safety management system for road traffic - ISO 39001.
17. Statistical quality control techniques in an electronics' and electrical equipment industry.
18. Information systems that are used in Quality Management and Statistical Quality Control.
19. Identification of assignable causes and imperfect operation of machines in an industrial environment, using Statistical Quality Control techniques.
20. Assessment of Greek elementary school canteens using questionnaires and analyzing statistically the collected information from parents and teachers.
21. Interaction and integration of quality standards.
22. Measuring customers' satisfaction in a sports company through statistical analysis of data collected with questionnaires.
23. A guide for developing an Information Security Management System according to ISO 27001:2013 standard - a general approach based on an actual implemented system.
24. Quality management in secondary education - practices in order to improve it.
25. Quality indicators development and monitoring with Statistical Quality Control tools in a logistics service provider.
26. Development and monitoring with control charts of quality indicators in a telecommunications group call center.
27. Statistical Quality Control tools implementation in a meat processing plant.
28. Certification of Quality Management Systems in hotel industry and its role in customer satisfaction and their evaluation of hotel units.
29. Examination of the application of Quality Management techniques and principles in the

Magistrate's Court of Polygyros, focusing on the applications for inclusion in the Law of individuals in debt.

30. Quality assurance of agricultural products and consumer trends in the prefecture of Rodopi.
31. Implementation of the ISO 14001: 2015 requirements in a Management Authority of Protected Areas, and assessment of the objectives' achievement through Environmental Management Indicators: the case of Lake Kerkini.
32. Statistical analysis of the data of an airline company.
33. Quantitative analysis in selected banking services - Case study.
34. Examination of the effect of ISO 22000 certification of pastry shops on customer satisfaction.

During the academic year 2017-2018 I was the supervisor of **1** thesis in the joint postgraduate studies program of the Schools of Informatics and Economics of Aristotle University of Thessaloniki.

The title of this thesis is the following:

- Development of a cost model for manufacturing / remanufacturing products.

Since the academic year 2004-2005 (till 2006-2007), I was the supervisor of **3** bachelor theses in the Department of Engineering & Management of Energy Resources, University of Western Macedonia.

The titles of these theses are the following:

- Economic evaluation of energy saving measures in buildings.
- The development of Quality Management Systems into organizations providing services: the case of DOKPY, N. Ionia - Magnesia - Greece.
- Performance and quality of public services: evaluation by using indexes, multi-criteria analysis and statistical quality control techniques.

Since the academic year 1992-1993 (till 2001-2002), I was the supervisor of **12** bachelor theses in the Department of Mechanical Engineering, Polytechnic School, Aristotle University of Thessaloniki.

These theses elaborated the following subjects of Industrial Management:

- Development of Quality Assurance Systems.
- Application of Statistical Quality Control in processes.
- Inventory planning and control.
- Equipment maintenance.

6.6 Supervisor of Scholastic Theses

Since the academic year 2011-2012 I have been the supervisor of **3** theses in the Department of Applied Informatics, University of Macedonia. These theses elaborated the following subject of Industrial Management:

- Economically optimum acceptance sampling plans depending on how a rejected lot is handled

- Implementation of the ISO 22000:2005 standard in a food company – the case of a modern Greek company manufacturing traditional food products.
- Customer satisfaction as a quality characteristic. Case study in the startup company AtYourService.

Since the academic year 2002-2003 (till 2006-2007), I was the supervisor of **9** scholastic theses in the Department of Engineering & Management of Energy Resources, University of Western Macedonia. The titles of these theses are the following:

- Development of an optimization model of the statistical quality control and the preventive maintenance of a production process.
- Using statistical indicators for the evaluation of stocks and/or branches of the stock market.
- Business parameters and characteristics.
- Reverse logistics: the case of cell phones.
- Market forms and structure.
- Inflation – Consumer Price Index.
- Innovation penetration into a region with specific features: the case of Crete, Greece.
- Economic evaluation of the Acceptance Sampling schemes.
- Acceptance sampling software.

6.7 Lectures in seminars

Since 1995 I have given lectures in numerous seminars, mainly for executives and engineers, mostly on Quality Management and Quality Assurances. In particular:

- Instructor at the summer school entitled "[ThesSummerSchool - My first step on the path of entrepreneurship - Developing creative and technical skills](#)" for students between 14 and 18 years old.
 - 31/8 till 3/9/2016, Thessaloniki. Hours: 10.
 - 26/6 till 30/6/2017, Thessaloniki. Hours: 10.
 - 25/6 till 30/6/2018, Thessaloniki. Hours: 10.
 - 24/6 till 29/6/2019, Thessaloniki. Hours: 10.
 - 21/4 till 25/4/2020, virtual program. Hours: 6.
 - 22/6 till 27/6/2020, virtual program. Hours: 6.
- Instructor at an educational program on quality issues for the personnel of Souroti SA, 8/2/2019, Thessaloniki. Hours: 5.
- Instructor at an educational program for the executives of ELTA (Hellenic Post) - last and upper training cycle - through teleconference on the topic "Business Informatics", 30/9 - 9/10 and

16/10/2014, Thessaloniki. Hours: 8.

- Instructor in seminar “Statistical Process Control” of the Vocational Training Center (VTC) “I.V.E.P.E.”, 11-13/12/2006. Hours: 24.
- Seminar “Standardization and Quality Control Methods and Tools for Manufacturing Industries” of VTC “Delta” Thessaloniki, September 2004. Topics: *Definitions of Quality – Cost of Quality – Basic Principles of Statistical Methods – Acceptance Sampling - Statistical Process Control*. Hours: 12.
- Instructor in seminar “Statistical Quality Control - 3rd part: Applications in PC with Microsoft Excel” of Forum Training Ltd:
 - 15-16/12/2004, Thessaloniki. Hours: 12.
 - 11-12/12/2004, Athens. Hours: 12.
 - 22-23/6/2004, Athens. Hours: 12.
- Seminar “Training regarding Environmental Protection and Management” of VTC “Gaia” Kilkis, June 2004. Topic: *Reverse Logistics*. Hours: 10.
- Instructor in seminar “Statistical Quality Control - 2nd part: Statistical Process Control (SPC)” of Forum Training Ltd:
 - 20-21/11/2004, Athens. Hours: 12.
 - 10-11/11/2004, Thessaloniki. Hours: 12.
 - 8-9/5/2004, Thessaloniki. Hours: 12.
 - 27-28/4/2004, Athens. Hours: 12.
- Instructor in seminar “Statistical Quality Control - 1st part: Quality Control of raw materials & final products” of Forum Training Ltd:
 - 23-24/10/2004, Athens. Hours: 12.
 - 14-15/10/2004, Thessaloniki. Hours: 12.
 - 19-20/2/2004, Athens. Hours: 12.
 - 14-15/2/2004, Thessaloniki. Hours: 12.
 - 17-18/12/2003, Athens. Hours: 12.
- Instructor in seminar “Statistical Quality Control Techniques: Quality Control of Raw Materials, Process (SPC), Final Products” of Forum Training Ltd, 27-28/9/2003, Thessaloniki. Hours: 12.
- Instructor in seminar “Statistical Process Control” of Forum Training Ltd, 28-29/4/2001, Thessaloniki. Hours: 16.
- Seminar “Total Quality Management / Quality Assurance / Quality Control” of VTC “Evropliroforisi” Volos, September - October 2000. Topics: *Definitions of Quality – Cost of Quality – Basic Principles of Quality Assurance Systems – Requirements of ISO 9001 Standard - Case*

Studies. Hours: 20.

- Seminar “Total Quality Management / Quality Assurance / Quality Control” of VTC “Evropliroforisi” Katerini, September - October 2000. Topics: *Definitions of Quality – Cost of Quality – Basic Principles of Quality Assurance Systems – Requirements of ISO 9001 Standard - Case Studies*. Hours: 40.
- Seminar “Total Quality Management” of VTC “I.V.E.P.E.”, May 2000. Topics: *Quality Improvement through Experimental Design – Taguchi Methods. - Statistical Process Control*. Hours: 12.
- Seminar “Total Quality Management” of VTC “Evropliroforisi” Larissa, March - April 2000. Topics: *Definitions of Quality – Cost of Quality – Basic Principles of Statistical Methods – Acceptance Sampling – Statistical Process Control - Basic Principles of Quality Systems*. Hours: 30.
- Seminar “Auditors of the Quality Assurance Standard ISO 9000 - Auditor / Lead Auditor Course (IRCA Approved)” of TUV HELLAS, March 2000.
- Seminar “Product Certification – Quality Control” of the Technical Chamber of Central Macedonia, February 2000. Topics: *Quality Improvement through Experimental Design – Taguchi Methods*. Hours: 5.
- Seminar “Product Certification – Quality Control” of VTC “Epimorfotiki L.L.C.”, June 1999. Topics: *Introduction to Quality Control – Standardization – Production Planning Control – Quality Control Tools – SPC – Pareto Analysis – Quality Circles*. Hours: 18.
- Business Seminar “Quality Assurance Auditors” of Vitruvit S.A., May 1999. Topics: *Sampling – Introduction to Statistical Quality Control – Cost of Quality*. Hours: 16.
- Business Seminar “Production Control and Planning” of Vitruvit S.A., May 1999. Topics: *Reasons for Deviation – Operations’ Control – Control Procedures and Process Control*. Hours: 16.
- Seminar “Quality Management – Total Quality - ISO - HACCP – EMAS” of VTC “Anatoliki”, April - May 1999. Topics: *Quality Control of raw materials and final products – Statistical Process Control*. Hours: 8.
- Seminar “Quality Topics” of VTC “Epimorfotiki L.L.C.”, October - November 1997. Topics: *Introduction to Quality - Statistics – Acceptance Sampling – Preventive Process Control – Experimental Design – CE Product Certification*. Hours: 30.
- Seminar “Training of unemployed businessmen under 29 years old” of VTC “I.A.T.A.P.”, July 1996. Topics: *Process Control – Quality Control Techniques – Applications of Quality Control*. Hours: 18.
- Seminar “Quality Control - Assurance” of the Vocational Training Centre (VTC) “Technical Education”, December 1995. Topics: *Statistical Quality Control – Taguchi Methods*. Hours: 24.
- Seminar “Industrial Production Management” of the Technical Chamber of Eastern Macedonia, November 1995. Topics: *Quality Assurance – Statistical Quality Control*. Hours: 18.

7. Research activities

7.1 PhD Thesis

Title : Economic Design and Comparative Analysis of One - Sided Adaptive \bar{X} Control Charts

University : Aristotle University of Thessaloniki

School : Polytechnic

Department : Mechanical Engineering

Year : 2001

Research Area : Statistical Quality Control

Supervisor : George Tagaras

7.2 Edited Books

1. [Quality Management in Reverse Logistics](#), Y. Nikolaidis Editor, Springer, London, 2012. ISBN 978-1-4471-4536-3

7.3 Book chapters

1. Nikolaidis, Y. and Efthymiadis, G., 2016, Education on Corporate Social Responsibility in Greece: Is there any and does it affect students' perception?, in Duygu Turker et al. (eds.): *Social responsibility education across Europe: A quantitative research project (2014-2015)*, pp. 161-184, [Springer](#).
2. Nikolaidis, Y., 2013, Reverse Logistics and Quality Management Issues: State-of-the-Art, in Nikolaidis, Y. (ed.): *Quality Management in Reverse Logistics*, pp. 1-19, [Springer](#).
3. Carayannis, E.G. and Nikolaidis, Y., 2010, [Enterprise Networks and Information and Communication Technologies \(ICT\) Standardization](#), in Wang, L. and Koh S.C.L. (eds.): *Enterprise Networks and Logistics for Agile Manufacturing*, pp. 99-118, Springer.

7.4 Publications in refereed Journals

1. Sifaleras, A., Karakalidis, A. and Nikolaidis, Y., [Shift Scheduling in Multi-item Production Lines: a Case Study of a Mineral Water Bottling Company](#), *International Journal of Systems Science*, to appear
2. Sivena, S., and Nikolaidis, Y., 2019, [Improving the Quality of Higher Education Teaching through](#)

- [the Exploitation of Student Evaluations and the Use of Control Charts](#), *Communications in Statistics - Simulation and Computation*, to appear
3. Nikolaidis, Y., Efthymiadis, G. and Angelidis, P., 2019, [Quality Assessment of a Second Opinion Telemedicine Service](#), *Health and Technology*, vol. 9, no. 5, pp. 659-678.

Case Of D.O.K.P.I., N. Ionia Volos, 1st National Conference for Standardization, Standards and Quality, Thessaloniki, Greece, 222-230 (in Greek).

15. Nikolaidis, Y. and Tagaras, G., 1996, Quality Assurance by Means of Dynamic Control Charts, *Euroconference - European Management in face of Knowledge Driven Competition, TMR program*, Porto (only in an electronic form).

7.8 Announcements in Conferences without Proceedings

1. Tagaras, G. and Nikolaidis, Y., 2001, On the Performance of Alternative Adaptive Control Charts, 3rd Aegean International Conference on "Design and Analysis of Manufacturing Systems", Tinos.
2. Tagaras, G. and Nikolaidis, Y., 1997, Bayesian Control Charts for Variables, *Managing Services in the next Millennium*, San Diego, U.S.A.

7.9 Working papers

1. Madas, M. and Nikolaidis, Y., Exploring the Relationship between Quality Management and Risks in Closed-loop Supply Chains, submitted in *International Journal of Logistics Systems and Management*, April 2020
2. Bai, Q., Chen, M. and Nikolaidis, Y., Improving Sustainability and Social Responsibility of a Two-tier Supply Chain Investing in Emission Reduction Technology, submitted in *Applied Mathematical Modelling*, January 2020
3. Nikolaidis, Y. and Chen, M., Evaluating the Performance of Various Control Charts for Short Production Runs.
4. Nikolaidis, Y. Quality issues in Reverse Logistics – A review of quantitative models.

7.10 Participation in Research Projects

I have participated as a member of the research team in the following research projects:

- "SMART – Sustainable Management and Actions to Promote Regional Transition", March 2006 - April 2006.
- "Internet Supported Module System for the Innovative Problem Solving Method – Innosupport" the framework of the Leonardo program, January 2006 - March 2006.
- "Studies for the Innovation in Particular Branches of the Cretan Economy," September 2005 - December 2005.
- "Creating Motives for the Development of Decentralized Power Systems", October 1994 - June 1995.
- "Working Positions in the Most Important Tourist Professions in Greece - Description and

Necessary Qualifications”, May 1994 - July 1994.

- “Definition of Characteristics of Foreign Tourists”, October 1993 - June 1994.
- “Definition of Characteristics of the Employees in the Branch of Tourism”, January 1993 - December 1993.
- “Determination of Educational and Training Needs in the Branches of Textile and Ready - Made Clothes,” FORCE program, March 1993 - May 1993.

7.11 Projects

- Scientific responsible of the summer school entitled “[ThesSummerSchool - My first step on the path of entrepreneurship - Developing creative and technical skills](#)” for students between 14 and 18 years old.
 - 31/8 till 3/9/2016, Thessaloniki. Program duration: 20 hours.
 - 26/6 till 30/6/2017, Thessaloniki. Program duration: 20 hours.
 - 25/6 till 30/6/2018, Thessaloniki. Program duration: 24 hours.
 - 24/6 till 29/6/2019, Thessaloniki. Program duration: 24 hours.
 - 21/4 till 25/4/2020, virtual program. Program duration: 18 hours.
 - 22/6 till 27/6/2020, virtual program. Program duration: 24 hours.
- 5/9 - 5/10/2016: scientific visit in the Institute of Paul Bocuse, in Lyon, France, as member of the research team of the project “[Foodsmart](#) - Shaping smarter consumer behavior and food choice”.
- 21 - 29/9/2014: scientific visit in Poland under a bilateral educational programme, for collaborating on research issues (particularly Reverse Logistics) with colleagues from Czestochowa University of Technology (Faculty of Management) and Technical University of Czestochowa (Institute of Logistics and International Management).
- 14 - 25/5/2012: participation in the Erasmus Intensive Program Project “[GreenLog](#) - Green Logistics: Trends and Applications for a Sustainable Life-Style”, Yasar University, Izmir, Turkey. My main contribution was the lecture I gave about Reverse Logistics on the 18th of May.

8. Other scientific activities

8.1 Member of PhD Theses evaluation committee

1. Meropi Pavlidou, “Robust Covariance, Classification and Regression Estimation and Applications in the Field of Engineering”, Department of Electrical and Computer Engineering, Aristotle University of Thessaloniki, March 2020.
2. Alexandra Politou, “Theory of constraints-based production planning and control: a system

dynamics analysis”, Department of Mechanical Engineers, Aristotle University of Thessaloniki, July 2015.

3. Athanassiou Efstratios, “Capacity planning in reverse logistics networks: a system dynamics approach”, Department of Mechanical Engineers, Aristotle University of Thessaloniki, July 2010.
4. Samara Elpida, “National Innovation Systems, an innovation model using System Dynamics”, Department of Engineering & Management of Energy Resources, University of Western Macedonia, December 2009.
5. Kapetanopoulou Paraskevi, “The operation and management of product recovery activities in the Greek industry”, Department of Mechanical Engineers, Aristotle University of Thessaloniki, July 2009.
6. Chatzamouratidis Athanassios, “Decision support systems for power plants”, Department of Engineering & Management of Energy Resources, University of Western Macedonia, September 2007.

8.2 Participation in editorial boards of scientific journals

- [Journal of Engineering, Project, and Production Management](#) since January 2015.

8.3 Referee of Scientific Papers

I have been a referee for the following international **scientific journals**:

- *Communications in Statistics - Theory and Methods*
- *Computers & Industrial Engineering,*
- *Educational Research,*
- *European Journal of Operational Research,*
- *Frontiers*
- *Higher Education Research*
- *Institute of Industrial and Systems Engineers (IISE) Transactions*
- *International Journal of Operations and Quantitative Management,*
- *International Journal of Sustainable Engineering,*
- *International Journal of Systems Science,*
- *Journal of Engineering, Project, and Production Management*
- *Journal of the Operational Research Society*
- *Knowledge-Based Systems*
- *Operations Research,*
- *Production and Operations Management,*

- *Quality Engineering*
- *Scientific Research and Essays,*
- *Sustainability,*
- *Tamkang Journal of Science and Engineering,*

the following **conferences**:

- *International Conference on Engineering, Project, and Production Management (since 2015),*
- *Management, Engineering and Informatics: MEI 2014,*

as well as a referee of book proposals for the publisher Springer-Verlag, London.

8.4 Participation in the organization of Conferences, Lectures, etc.

- 2019 International Conference on Engineering, Project, and Product Management (EPPM 2019), 2-4 September 2019, Berlin, Germany, [Scientific Committee](#).
- 2018 International Conference on Engineering, Project, and Product Management (EPPM 2018), 24-26 September 2018, Cape Town, South Africa, [Scientific Committee](#).
- 2017 International Conference on Engineering, Project, and Product Management (EPPM 2017), 19-21 September 2017, Amman, Jordan, [Scientific Committee](#).
- 2016 International Conference on Engineering, Project, and Product Management (EPPM 2016), 22-23 September 2016, Bialystok, Poland, [Scientific Committee](#).
- 2015 International Conference on Engineering, Project, and Product Management (EPPM 2015), 2-4 September 2015, Gold Coast, Queensland, Australia, [Scientific Committee](#).
- 2nd Technology Forum, 8 May 2015, Organizing Committee and [Coordinator of 2nd Session](#) – Department of Applied Informatics representative – University of Macedonia.
- 1st Student Conference Department of Applied Informatics, Technology Management and Marketing and Operations Management, University of Macedonia, Thessaloniki, 5 November 2010, Organizing and Scientific Committee

8.5 Participation in Conferences, Lectures etc.

- 2009: Participation in the “2nd International Conference on Entrepreneurship, Innovation and Regional Development”, CITY College, Thessaloniki - Greece, 24-25 April.
- 2007: Participation in the “7th Closed-Loop Supply Chain Workshop”, Aristotle University of Thessaloniki, Thessaloniki - Greece, 14-16 October.
- 2003: Participation in the “3rd Workshop on Business Aspects of Closed-Loop Supply Chains”, Penn State University, Pennsylvania - U.S.A., 26-28 October.
- 2002: Participation in the “2nd Workshop on Business Aspects of Closed-Loop Supply Chains”,

INSEAD University, Fontainebleau - France, 13-15 October.

8.6 Participation in Scientific Projects

- “Survey measuring satisfaction of doctors and examinees from Vodafone telemedicine program”, August 2015 - April 2016.
- “Research and Development of Statistical Process Control of the Dairy Factory MEVGAL S.A.,” January 1998 - June 2000.
- “Economic Design of Dynamic Process Control Charts”, March 1996 - March 1998.

8.7 Participation in Committees / Working Groups of the Department of Applied Informatics or the University of Macedonia (most indicatively)

- Presentation (15/2/2017) of the Department of Applied Informatics during the event «Learning before studying».
- Presentation (30/6/2014) of the Technology Management specialization to students of the Department of Applied Informatics, in light of their academic direction choice.
- Participation in the interview process of interested graduate students for the postgraduate program of the Department of Applied Informatics (18/6/2014, 15/6/2017, 21/9/2018, 12/9/2019, 11/9/2020).
- Member of the Civil Protection Committee of the University of Macedonia since October 2018.
- Member of the Committee for the Certification of Professional Rights of Graduates of the Department of Technology Management, March 2018 - May 2018.
- Member of the Doctoral Studies Coordinating Committee of the Department of Applied Informatics, March 2018 - February 2020.
- Coordinator of the participation of the Department of Applied Informatics from University of Macedonia in the competition «Cooperate» and [Technology Forum](#), October 2014 - May 2015.
- Member of the Office for the strategic planning of the Library of University of Macedonia since April 2014.
- Reexamination grader of the qualifying examinations for graduates of other Higher Education departments, in the courses "Mathematics I" (formerly) and "Linear Algebra" (more recently) since April 2014.
- Mentor - supervisor of students of the Department of Applied Informatics during their internship since March 2014.
- After my suggestion, the Department of Applied Informatics joined the ATLAS platform, which allows it and its faculty members to attract students from other universities during their

internship - 2014.

- Member of the Extroversion Committee of the Department of Applied Informatics since January 2014.
- Member of the Internal Evaluation Committee (OMEA) of the Department of Applied Informatics, January 2014 - September 2020.
- Member of the Erasmus board of the Department of Applied Informatics, June 2013 – June 2014.
- Representative of the Department of Technology Management in the Quality Assurance Agency (MO.DI.P.) of University of Macedonia, for the development of the deliverable “Subject Benchmark Statement” - 2011.
- Supervisor at first and then general manager of the internships of the students of the Department of Technology Management, July 2009 - June 2013.

8.8 Memberships

- Technical Chamber of Greece since 1992.
- Association of Mechanical and Electrical Engineers in Northern Greece since 1992.
- Greek Quality Forum since 1996.
- Union of Hellenic Scientists for Prototyping and Standardization (ENEPROT) since November 2004.

9. Other activities

I have completed the following (mostly Marathon and Half-marathon) races:

2020

- 11th Half Marathon Katerini Run 2020, 8/3/2019 - 01:34:30 (PB) - 568 participants-Rank: 68th

2019

- 2nd Almopia Health road race 2019 (20.4 km), 24/11/2019 - 01:31:34 - 120 participants-Rank: 29th, **3rd in the age group 50+**
- 8th International Thessaloniki Night Half Marathon, 19/10/2019 - 01:50:20
- 34th SPAR Budapest Marathon, 29/9/2019 - 04:03:58 - 4532 participants-Rank: 1301st
- 3rd Polygyros run, 1/9/2019 - 01:11:45 - 109 participants-Rank: 9th, **3rd in the age group 50+**
- 14th International Marathon "Alexander the Great", 14/4/2019 - 03:36:54 (PB) - 1540 participants-Rank: 312th
- 12th Half Marathon Kalampaka - Trikala, 17/3/2019 - 01:35:18 - 1276 participants-Rank: 176th

- 10th Half Marathon Katerini Run 2019, 3/3/2019 - 01:37:06 - 750 participants-Rank: 116th

2018

- 5th Xanthi Democritus Half Marathon, 25/11/2018 - 01:41:33 - 560 participants-Rank: 130th
- TCS Amsterdam Marathon 2018, 21/10/2018 - 03:48:05 - 12128 participants-Rank: 4622nd
- 1st Almopia Half Marathon, 6/5/2018 - 01:35:55 - 200 participants-Rank: 25th
- 13th International Marathon "Alexander the Great", 1/4/2018 - 03:49:43 - 2004 participants-Rank: 496th

2017

- 1st sta mystika tou valtou - Krya Vrysi Half Marathon, 26/11/2017 - 90 participants-Rank: 26th
- Hartford Marathon, 14/10/2017 - 03:52:44 - 1624 participants-Rank: 473rd
- Under Armour Run Thessaloniki City Challenge (Half Marathon), 21/5/2017 - 01:39:43 - 162 participants-Rank: 23rd
- 12th International Marathon "Alexander the Great", 2/4/2017 - 03:48:20 - 2073 participants-Rank: 548th
- 8th Dion Half Marathon, 5/3/2017 - 01:36:52 - 466 participants-Rank: 60th

2016

- 4th Half Marathon Loutra Pozar, 4/12/2016 - 01:43:39 - 113 participants-Rank: 33rd
- 5th International Thessaloniki Night Half Marathon, 8/10/2016
- 7th Run in Lyon Marathon, 2/10/2016 - 03:55:57 - 2575 participants-Rank: 1191st
- Under Armour Run Thessaloniki City Challenge, 8/5/2016 - 01:39:39 - 104 participants-Rank: 21st
- 33rd Vienna City Marathon, 10/4/2016 - 03:52:18 - 6494 participants- Rank: 2914th

2015

- 4th International Thessaloniki Night Half Marathon, 10/10/2015
- 2nd Porto Carras **Half Marathon** Spring powered by Xterra, 30/5/2015 - 128 participants-Rank: 19th
- 2nd International **Marathon** of Rhodes, 26/4/2015 - 04:00:50 - 65 participants-Rank: 29th

2014

- 2nd Half Marathon Loutra Pozar, 30/11/2014 - 01:40:57 - 107 participants-Rank: 16th
- 3rd International Thessaloniki Night Half Marathon, 18/10/2014
- 36th PZU Warsaw Marathon, 28/9/2014 - 04:00:57 - 6679 participants-Rank: 3147th

- 38th Edition of Paris Marathon, 6/4/2014

2013

- Rock 'n' Roll Oasis Montreal Half Marathon, 22/9/2013
- 2nd Kerkini Lake Half Marathon, 16/6/2013
- 37th Edition of Paris **Marathon**, 7/4/2013
- 4th Dion Half Marathon, 3/3/2013

2012

- 30th Athens Classic Marathon, 11/11/2012.
- 1st International Thessaloniki Night Half Marathon, 21/10/2012
- 2nd Kalamaria Half Marathon, 30/9/2012.
- Pella Half Marathon, 9/9/2012.

2011

- 29th Athens Classic **Marathon**, 13/11/2011.
- 1st Kerkini Lake Half Marathon, 30/10/2011.
- 1st Kalamaria Half Marathon, 8/5/2011.
- 6th International **Marathon** "Alexander the Great", 10/4/2011.
