Dear Christos I. Negkakis,

Congratulations! Your request for recognition into the Internal Auditing Academic Awareness Program has been approved. University of Macedonia will now be listed as one of The IIA Internal Audit Awareness Program Schools.

The Internal Audit Academic Awareness Program has been created to recognize the various degrees of commitment and effort universities are making to provide students with the information and skill sets necessary to choose an internal auditing career path in the following areas:

The areas of recognition in the IIA Internal Audit Academic Awareness Programs Include:

- ***Awareness Building***
- ***Introduction to the Profession***
- ***Internal Audit Diploma***

The IIA commends colleges and universities that promote internal audit awareness and education through their curricula. We understand that it requires dedication and university resources to support internal audit education.

We welcome University of Macedonia into the IIA Academic Awareness program. Congratulations again on this tremendous achievement.

Sincerely,

Rudrik du Bruyn
Chairman
The IIA's Academic Relations Committee
