# Master's Degree in International Public Administration

The Department of International and European Studies invites applications for its course of studies leading to a Master's Degree in International Public Administration. The aim of this course is to provide students, armed forces personnel, employees in the public and private sector as well as people considering a career change, with an education that will prepare them for employment in International Organizations, the Diplomatic Service or in positions where knowledge of the International System and its functions is an asset.

The course consists of three semesters, two of which require class attendance, while the third is dedicated to the writing of a dissertation. During the third semester students are not required to reside in Thessaloniki. Accommodation is not provided but students can access the program's website for recommendations.

Meals can be purchased at moderate prices in the school cafeteria.
