A close-up, high-contrast photograph of a classical marble bust of a man's face. The focus is on the right eye, which is looking slightly to the left. The lighting is dramatic, highlighting the texture of the marble and the contours of the face. The background is dark, making the light-colored marble stand out.

A painting of a shepherd with sheep in a landscape. The shepherd, a woman in a dark hooded cloak and a long red skirt, stands on the right, holding a staff. She is looking towards a large, leafy tree on the left. In the foreground, several sheep are gathered; one is lying down, and another is standing. The background shows a hazy, mountainous landscape under a warm, golden light.
