

6th International Conference of Hellenic Symphonic Bands

Dear colleagues and friends,

The final program of the Conference is now available (detailed and summarized).

Also, the registration link for the Conference via zoom is now open:

<https://zoom.us/meeting/register/tJYlcuCqgTljGtzOOB3lrH3xWsisqr9WJsn>

You will register only once; your registration applies for the duration of the Conference (repeated link). It is important that you provide your full name during your registration on the zoom platform since the certificates for conference participation will be generated based on the name you provided during your registration on the platform.

Please note that sound or video recording by the participants is strictly prohibited. The administrators of the University of Macedonia are solely responsible for recording sessions as a proof that the conference has been conducted.

The above link for the registration and the summarized program of the Conference is also posted at the Facebook of PNOES Laboratory, <https://www.facebook.com/pnoes>, at the Facebook of the Department of Music Science and Art,

https://www.facebook.com/PaMakTMET/?epa=SEARCH_BOX, and at the Facebook of the Greek Philharmonic Society,

<https://www.facebook.com/HellenicPhilharmonicSociety>.

Attending the Conference is free.

For any additional information or clarification, you can send a message to
